

# PETITION – ANTI-DISCRIMINATION

To the Honourable the President and Members of the Senate in Parliament assembled:

The Petition of the undersigned shows:

That Australian citizens oppose social, legal and economic discrimination against people on the basis of their sexuality, gender identity or intersex status, and that such discrimination is unacceptable in a democratic society.

Your petitioners ask that the Senate should: pass the Australian Democrats Sexuality and Gender Identity Discrimination Bill 2003 to make it unlawful to discriminate or vilify on basis of sexuality, gender identity of intersex status, so that such discrimination or vilification be open to redress at a national level.
