

INSPIRING WOMAN

THE DEMOCRATS will miss Janine Haines greatly, as will all Australians who admired her pioneering political career.

SEN. ALLISON: As the first female leader of an Australian political party and arguably our most successful, she was a great role model for women and a great parliamentarian. She was a woman of enormous personal charm, dignity and integrity. Janine's legacy is a Senate that functions as a true house of review.

SEN. STOTT DESPOJA: Her views strongly influenced me - she was a mentor in that regard, an inspiration and certainly a defining reason for me supporting, voting for the Democrats and joining them and becoming a Senator.

DON CHIPP: She had total integrity, she was full of compassion and tolerance. She was a wonderful human being.
